

Impact Report 2024

Lives are being transformed at the Love & SONshine Home because of *your* incredible generosity.

It is with heartfelt gratitude and hopeful anticipation that we share the incredible work God is doing through the ministry of Love and SONshine. **Because of your generosity, lives are being transformed.** Young mothers are experiencing true Agape love, surrounded by dedicated staff and volunteers.

We are continually amazed by the miracles we witness every day, thanks to you and your commitment to the Lord's work. **We simply could not do what we do without you.**

Through your prayers, support, and encouragement, **you are impacting generations—two heartbeats at a time.** Thank you!
