

Impact Report 2025

Guided by our faith, we nurture life, strengthen families, and offer lasting transformation through guidance, hope, love, and the healing power of Jesus.

Because of your extraordinary generosity, precious lives are being rescued, restored, and renewed at the Love and SONshine Home.

You are living out the call of James 1:27, which reminds us that true religion in the sight of God our Father is to care for orphans and widows in their distress. **Your compassion is not only seen, it is felt deeply by every mother, every child, and every family who walks through our doors.**

With full hearts and kingdom-sized expectations, we celebrate the miracles the Lord is working through this ministry. **His provision, flowing through faithful “vision carriers” like you, is opening the door to a bold and beautiful expansion: family neighborhood living.** Imagine a place where young families can continue to grow in stability and love:

a place where they can **thrive, belong, and be surrounded by a community that reflects the heart of Jesus.** A neighborhood where children laugh and play in the park, where young parents join the PTA, where hope becomes a daily reality, and where the presence of Christ is unmistakable.

The Lord is already laying the foundation. We can feel His hand guiding every step, and we are filled with anticipation for all He has in store for the future of Love and SONshine.

Thank you for standing with us, believing with us, and sowing into a vision that is changing generations to come.

Your partnership is truly a gift of love.
